Relative to other AP Students

WRITING	44	
MATH	46	★
CRITICAL READING	48	★

★ Indicates comparability to current AP students

MONICA'S COMMENTS

I struggled with my grades in middle school because I was bullied by my classmates and I couldn't do my work. But now that I'm in high school, no one can stop me from reaching my future goals: to be the first in my family to graduate from college.

Monica's test scores and a star to indicate percentile comparability with current AP/IB students

Student survey responses that provide rich qualitative detail about Monica's academic aspirations, her personal struggles, or other unique contextual features
